CYCLE II

MASTERS DEGREE

ACADEMY OF ECONOMIC STUDIES OF MOLDOVA
"UNIVERSITY ENGAGED IN FUTURE"

ABOUT ASEM

The Academy of Economic Studies of Moldova is the main and for the moment the only university institution of economic profile in the country, representing a modern university complex. The high level of studies, the deep scientific researches, the tendency of continuous improvement and the ability to adapt to the requirements of the society placed us on the level of the most attractive higher education institutions.

ASEM is a public educational institution, founded on September 25, 1991, based on decision no. 537 of the Government of the Republic of Moldova.

Today, ASEM is a nationally and internationally recognized university, which provides training of qualified specialists in the fields of Business, Economics, Law, Marketing, Trade, Finance, Accounting, Information Technology, International Relations, Public Food, Tourism, Public Administration, Social Assistance.

ASEM ensures the training of specialists at 6 educational levels: College, Bachelor, Master, Doctorate, Post-doctorate, Continuing education.

Until now, ASEM has trained over 50 thousand specialists who have become top managers in companies in the country and abroad, have founded businesses and developed nationally and internationally recognized brands, manage ministries and public organizations, have excelled in the field of jurisprudence, represent the country's interests in various international bodies, have outstanding performances in research and economic education.
